Quran 60:7-9

عَسَىٰ اللَّهُ أَن يَجْعَلَ بَيْنَكُمْ وَبَيْنَ الَّذِينَ عَادَيْتُمْ مِنْهُمْ مَوَدَّةً ۗ وَاللَّهُ قَدِيرٌ ۚ وَاللَّهُ غَفُورٌ رَّحِيمٌ  
لَا يَنْهَىٰكُمْ اللَّهُ عَنِ الَّذِينَ لَمْ يُقَاتِلُوكُمْ فِي الدِّينِ وَلَمْ يُخْرِجُوكُمْ مِنْ دِيَارِكُمْ أَن تَبَرُّوهُمْ وَتُقْسِطُوا إِلَيْهِمْ ۗ إِنَّ اللَّهَ يُحِبُّ الْمُقْسِطِينَ  
إِنَّمَا يَنْهَىٰكُمْ اللَّهُ عَنِ الَّذِينَ قَاتَلُوكُمْ فِي الدِّينِ وَأَخْرَجُوكُمْ مِنْ دِيَارِكُمْ وَظَهَرُوا عَلَىٰ إِخْرَاجِكُمْ أَن تَوَلَّوهُمْ ۗ وَمَن يَتَوَلَّهُمْ فَأُولَٰئِكَ هُمُ الظَّالِمُونَ

“Perhaps Allah will put, between you and those to whom you have been enemies among them, affection. And Allah is competent, and Allah is Forgiving and Merciful. Allah does not forbid you from those who do not fight you because of religion and do not expel you from your homes - from being righteous and charitable toward them and acting justly toward them. Indeed, Allah loves those who act justly. Allah only forbids you from those who fight you because of religion and expel you from your homes and aid in your expulsion - [forbids] that you make allies of them. And whoever makes allies of them, then it is those who are the wrongdoers.”

The Hadith of Wahn: The Prophet (ﷺ) said: “The people will soon summon one another to attack you as people when eating invite others to share their dish”. Someone asked: “Will that be because of our small numbers at that time?” He replied: “No, you will be numerous at that time: but you will be scum and rubbish like that carried down by a torrent, and Allah (ﷻ) will take fear of you from the breasts of your enemy and cast enervation into your hearts”. Someone asked: “What is wahn (enervation)”. Apostle of Allah (ﷺ): He replied: “Love of the world and dislike of death”.

The Party of Islamic Renewal (Secretary General Professor Muhammad Al-Massari) wishes to express its full endorsement of the shining message of hope released by the Islamic National Coordination Movement of India. We call on all Muslim states and organisations to follow our lead in supporting our brothers. We call on all those in India who oppose the Hindutva-Brahman supremacist fascists of the BJP/RSS, and its associates, including moderate Hindus, and all minority groups, Dalits, Muslims, Adivasi, Sikhs, Jains, Buddhists, and Christians, to ally with this initiative.

## Full statement issued by the Islamic National Coordination Movement of India:

“ The recent incidents of targeted violence against the Muslim community is a sign of the planned efforts by the communal fascist forces to carry out a genocide of Muslims in India. The threat of genocide has been observed by international groups

like the Genocide Watch which claims many similarities in the situation of India compared with other places in the world where similar genocide were committed.

Since past few months the Fascist forces have through their various agents and frontal groups made calls of attacks on Muslim lives, properties and dignity of Muslim women. The manner in which violence was created in multiple states during the Ram Navami indicates to a conspiracy to target Muslims and create fear among them. The impunity received by the Sanghi hate mongers have confirmed the concern of state complicity in such attacks in the BJP ruled states.

Maulana Sajjad Nomani presiding over the meeting.

The recent trend of ruining Muslim properties with bulldozers is a new strategy to use the state machinery against Muslims. It is evident that Muslims in different states have demonstrated signs of resisting the violent designs of the Fascist forces. This resistance by the Muslims to protect their lives and properties was a setback to the Fascist forces. Hence, to break the confidence of the Muslims the Fascists have adopted the strategy to demonize Muslims as rioters through a fabricated media trail, then demolishing Muslim properties through illegal means and finally claim Muslims as the culprits and implicate them through fake cases and draconian laws. The objective of this recent strategy of the fascist forces is to give a message to the Muslims in general and local community leaders in particular that Muslims should not even try to protect themselves and just let the Fascist fanatics to execute the plan of genocide.

The meeting of the Muslim Community leadership appreciates the courage of local Muslim leaders for resisting the evil designs of Fascist forces and thwarting their plans of creating large scale violence against Muslims. It is observed that Muslims organizing themselves to defend their lives and properties is a positive sign. The meeting calls upon Muslim leadership to organize at local levels and continuously review the situation at your respective cities. An organized approach towards such planned attacks on Muslims will be the best possible way to thwart the plans of the Fascist forces in a situation where unfortunately the state declines to do its duty of protecting the Minorities.

Another important development is the role of the BJP government in different states that misuses the government machinery to target Muslims who were actually the victims whereas the culprits belonging to the fascist forces are let go free. The meeting believes that strong local legal support system must be developed to immediately provide legal support to the victims. The youths of the community must be given confidence that the community leadership will strive to protect themselves legally in case they are targeted with fake cases. Such an system will indeed create a sense of confidence within the community.

The meeting also calls upon the Muslim community to stand up for protecting Muslim properties when the fascist forces use the "Bulldozer" strategy to target Muslims. We need to clearly understand that this Bulldozer politics will not stop at any specific town, city or locality but will reach the houses of every Muslim who dares to resist the fascist onslaught. To defeat this strategy not just requires oral support but also physical presence to democratically confront this anti-Muslim demolition drive. The people of Shaheen Bagh have once again showed the country the importance of people's democratic resistance and the results. It is indeed a fact that only due to the commitment of the people to come to streets and bravely confront the Bulldozer policy forced the agencies to backtrack. The community leaders meeting calls upon the Muslim local leadership to take lessons from the democratic resistance of Shaheen Bagh residents and strive to organize themselves their localities to enable the community to stand for the protection of fellow Muslims.

The meeting of community leaders also observes that a national movement to coordinate and guide the community to address the current scenario is missing. It is indeed a fact that many local initiatives are happening across the country but it lacks coordination and consistent efforts as part of a vision.

The situation demands that the Muslim leadership must unite and plan to form a national movement that strives for peace and justice. The community is looking for guidance and hope from it's leadership. Hence, this conclave of community leaders unanimously resolves to form a platform and to launch a movement which will be agenda driven, and accommodates all the sections of the community and will work within the framework of the Indian Constitution utilizing the peaceful and

”

democratic means.
