Sir,  
Sufi Islamic board has been relentlessly campaigning against the mis deeds of the Popular Front of India and its wings for the past many years. It has made several appeals to the Honorable Prime Minister, The Honorable Home Minister and various other law enforcing agencies to ban PFI Pan India.

On 13 th May 2022 a tweet was sent by International Terrorist and Al Qaeda ideolog Mohammad Ibne Abdullah Al Massari who calls himself the Secretary General of The Party of Islamic Renewal on the official Twitter Handle of Sufi Islamic Board (@sufiboard) .

In that tweet a 5 page letter has been attached in which Al Massari states that The Party of Islamic Renewal fully enforces the statement issued by The Islamic National Co Ordination Movement of India in which. Al Massari states "The Party of Islamic Renewal (Secretary General Professor Muhammad Al-Massari) wishes to express its full endorsement of the shining message of hope released by the Islamic National Coordination Movement of India. We call on all Muslim states and organisations to follow our lead in supporting our brothers. We call on all those in India who oppose the HindutvaBrahman supremacist fascists of the BJP/RSS, and its associates, including moderate Hindus, and all minority groups, Dalits, Muslims, Adivasi, Sikhs, Jains, Buddhists, and Christians, to ally with this initiative.

He has quoted the statement of Maulana Sajjad Nomani the spokesman of All India Muslim Personal Law Board who had presided over the meeting which was attended by The General Secretary of The Popular Front of India Anis Ahmed and of many PFI and its Political Party SDPI Top leaders along with many clerics . Since The Popular Front of India's name has cropped up in many grave Criminal Offences and the recent riot cases across the Nation it is of grave concern as to why have they chosen Mumbai as the place for the meeting?

We request you to initiate a thorough enquiry of the motive behind the meeting in which the sentiments of the Muslim Masses were raked up and directions to Muslims were given to act against the Establishment.

Al Massari has already issued a fatwa style threat against our National President Mansoor Khan through his Tweets and Letters.

Thanking You,

Yours Truly,

Darshan Ahir

General Secretary (Maharashtra)
