## The Indian nation is threatened with fascist Hindutva-Brahman civil war: But the munafiq collaborationist so-called ‘Sufi Islamic Board’ wants to shift the blame to India’s oppressed minorities

MS Golwalkar: “the foreign races in Hindustan must either adopt the Hindu culture and language, must entertain no idea but those of the glorification of the Hindu race and culture, and must lose their separate existence to merge in the Hindu race, or may stay in the country claiming nothing and deserving not even citizen’s rights”

First, we will set the record straight on the situation in India. The self-styled ‘Sufi Islamic Board’ (SIB) (like their masters in the Indian regime itself) claims Muslims are not facing persecution in India, laughably blubbering “@sufiboard condemns the statement given by US Law maker #IlhanUmar urging Biden to act on anti-Muslim discrimination in India. We say that Conditions of Muslims in India are far better than Muslims living in other places of the World”<sup>1</sup>.

A plethora of other, far weightier and more credible voices, say otherwise. Here I will only provide a large (yet not extensive) sample of these commentators:

1. Gregory Stanton, founding president and chairman of Genocide Watch, formerly Research Professor in Genocide Studies and Prevention at the George Mason University, described the current head of the Indian regime, Prime Minister Modi as an “extremist who has taken over the government”, making it clear that preliminary “signs and processes” of genocide were underway in Assam state and Indian occupied Kashmir. “We are warning that genocide could very well happen in India” he concludes<sup>2</sup>.

2. The United States government ambassador-at-large for International Religious Freedom, Rashad Hussain, describes the desecration of the hijab and its banning in some schools in Karnataka state as a violation of religious freedom<sup>3</sup>. That comes after, in April 2021, the United States Commission on International Religious Freedom recommended India be designated a “country of particular concern” for a second consecutive year<sup>4</sup>.
3. In a snub, during a meeting with the Indian Foreign Minister and Defence Minister, US Secretary of State Antony Blinken, in April 2022, stated the American government was “monitoring some recent concerning developments... a rise in human rights abuses by some government, police, and prison officials” in India<sup>5</sup>.
4. Professor Cheng Xizhong, Visiting Professor of Southwest University of Political Science and Law and Senior Fellow of the Charhar Institute stated that the ‘brutal military suppression and grave violation of fundamental human rights of ethnic minorities (including Muslims) in India shows society is moving towards unrest and division’<sup>6</sup>.
5. World renowned linguist, and political activist, Professor Noam Chomsky points out that the Indian regime has turned Muslims into a “persecuted minority” and that “the pathology of Islamophobia [anti-Muslim hatred]... is taking its most lethal form in India”<sup>7</sup>.
6. Juan E Mendez, the first UN Special Adviser on the Prevention of Genocide, has praised Gregory Stanton’s Genocide Watch and its methodology, when asked about the situation in India, and has called on the United Nations Security Council to intervene in what he calls a “dangerous”, “deeply disturbing” situation of “international concern”<sup>8</sup>.
7. In December 2019 the UN human rights spokesman expressed concerns that the Citizenship Amendment Act (CAA) (which in combination with the National Register of Citizens [NRC] is meant to remove Muslims citizenship rights, a 21<sup>st</sup> century analogue of the Nazi Nuremberg laws removing Semitic citizenship before the Holocaust<sup>9</sup>), “is fundamentally discriminatory in nature”<sup>10</sup>.
8. On the 22<sup>nd</sup> of February 2022 the UK House of Commons held a session titled "Persecution of Christians and religious minorities in India" with the violence against Muslims, anti-conversion laws targeting Christians, the discriminatory CAA law, and general deteriorating situation for minorities in the country being on the agenda<sup>11</sup>.
9. Numerous and repeated condemnations have been levelled against India by world renowned, and universally respected organisations, Amnesty International (hilariously shutdown in India, as exposing persecution is deemed ‘terrorism’ in a fascist state), Human Rights Watch, Christian Solidarity Worldwide, International Dalit Solidarity Network, International Federation for Human Rights, Front Line Defenders and the World Organisation Against Torture, including on the subjects of: Indian security forces committing human rights violations in collusion with Hindutva-Brahman supremacist mobs in the Delhi riots (February 2020), the discourse by Hindutva-Brahman supremacist activists encouraging the massacre of Muslims to implement Hindutva-Brahman supremacy in India, use of the CAA/NRC laws to remove Muslim citizenship and cause the “greatest statelessness crisis in the world which will create unimaginable suffering... the vast majority of those affected would be Muslims”, and enacting discriminatory laws against Muslims and minorities. India also stands condemned for both governmental and judicial bias against Muslims and minorities, and security force impunity. Furthermore, attacks on Christian, Muslim and Dalit persons and places of worship are also skyrocketing<sup>12</sup>.

International press, and brave voices within the Indian dystopia, have extensively reported on the persecution of Muslims (and other minorities) and calls for genocide against Muslims in India. Here are just a few headlines which give a flavour of the global condemnation the Indian BJP/RSS regime, and their dogs in the so-called SIB, seem oblivious to:

NBC News: ‘Hindu extremists in India escalate rhetoric with calls to kill Muslims’

TIME: ‘Is India Headed for an Anti-Muslim Genocide?’

THE DIPLOMAT: ‘BJP Government Uses a Movie to Incite Anti-Muslim Violence’

The New York Times: ‘As Officials Look Away, Hate Speech in India Nears Dangerous Levels’

The Economist: ‘India’s government is ignoring, and sometimes even encouraging, hatred of minorities’ and ‘Hindu bigots are openly urging Indians to murder Muslims’

The Washington Post: ‘In India, calls for Muslim genocide grow louder. Modi’s silence is an endorsement’

Foreign Policy: ‘India’s Religious Minorities Are Under Attack’ and ‘Why India’s Muslims Are in Grave Danger’

NATIONAL HERALD: ‘Being dismissive of calls for genocide not helping India as a nation’

THE WEEK: ‘Do we want communal bloodbath?’: Ex-chiefs of Navy, Army criticise Haridwar event

THE WIRE: 'A Hate-Filled Call to Arms and Violence at Haridwar' and 'The Anti-Hijab Campaign Is a Form of Cultural Cleansing of Muslims That We Ignore At Our Peril'

Al Jazeera: 'Majoritarian violence is slowly tearing India apart'

The references for these headlines are all in the bibliography.<sup>13</sup>

Global public opinion amongst Muslims on India is also very clear, at the state level, in which the Organisation of Islamic Cooperation has condemned the fascist state on several occasions, most recently February 14<sup>th</sup> 2022, for continued attacks on Muslims in India and calls for genocide made at Haridwar<sup>14</sup>. But also more importantly on the popular level: a recent poll by British Muslim news organization *5pillars* has shown India was voted by survey participants as the most anti-Muslim state on earth (by far)<sup>15</sup>. After all, Muslims around the world have first-hand experience of the rabid anti-Muslim hates peach directed at them by Hindutva-Brahman supremacist activists online.

So, either we all believe our own eyes, and mutawatir/mutually corroborating reports from media and organisations in India and internationally, or we believe the fascist BJP/RSS (and their dogs in the self-styled SIB) that there is no persecution of Muslims and minorities in India, assurances from a movement who are explicitly moulded on Nazism and fascism<sup>16</sup>, whose followers made Adolf Hitler's *Mein Kampf* a best seller in India<sup>17</sup>, and whose hateful ideological intellectual father M.S. Golwalkar stated that "the foreign races in Hindustan must either adopt the Hindu culture and language, must learn to respect and hold in reverence Hindu religion, must entertain no ideas but those of the glorification of the Hindu race and culture, i.e., of the Hindu nation, and must lose their separate existence to merge into the Hindu race, or may stay in the country, wholly subordinated to the Hindu Nation, claiming nothing, deserving no privileges, far less any preferential treatment — not even citizen's rights"<sup>18</sup>. We choose the former, and hence the so-called SIB's claim that Indian Muslims are not being oppressed have been totally rejected.

Instead the situation throughout India has descended into a hellscape of carnage, tyranny and dystopia: we now see so-called 'cow lynching' of Muslims, communal massacres like the Delhi riots (or far more spectacular bloodletting in Gujarat, 2002, when then Chief Minister Modi colluded in the pogrom), forced conversion of Muslims to Hinduism<sup>19</sup>, preventing conversions to Islam (directed at Dalits or formerly Hindu women through the claim of non-existent 'love jihad'), calls for genocide against Muslims (ie Haridwar, January 2022), discriminatory legislation to deprive Muslims of citizenship through the CAA/NRC (as preached by M.S. Golwalkar above) and the setting up of concentration camps in Assam state. There were also vile incidents in the early stage of the pandemic in which Muslims were blamed for the spread of coronavirus (which so-called SIB member<sup>20</sup> munafiq kaffir Shoukath Ali recently regurgitated, attacking the Muslims of India who are not supporters of the so-called SIB, as 'super spreaders' who 'deserve it'). During this repugnant period (when Hindu Indian expats received excellent medical care in Gulf states) journalist CJ Werleman declared the 15<sup>th</sup> April 2020 as the start of Apartheid in India, as Muslims were segregated, and in some cases denied medical treatment<sup>21</sup>, (this shameful episode is extensively covered in my book 'Critical State: Hatred, world order and the first wave of the coronavirus pandemic', section 6<sup>22</sup>). India has also made clear its enmity toward Islam and Muslims when (in March 2022) it opposed the designation of the 15<sup>th</sup> of March as the 'International day to combat Islamophobia' by the UN<sup>23</sup>. These incidents are bringing India into disrepute internationally and have, and will provoke further, resistance from Indian minorities and their allies abroad: if the self-styled SIB truly cared for India, that would be their primary concern, not codling the BJP/RSS fascists.

The so-called SIB has claimed that the Popular Front of India (PFI) is 'radicalising' Muslims, and that the contrived 'hijab row' was caused by them galvanizing and supporting oppressed Muslims to assert their rights (as the so-called SIB should have done if they were actually Muslims, and not munafiq kaffirs)<sup>24</sup>. I repeat, no: it is the fascist BJP/RSS Hindutva-Brahman supremacists' policies which are inciting communal disharmony and alienating Muslims (and others besides, from the Sikh, Dalit, Adivasi, Christian and non-fascist Hindu communities). The Muslims are the aggrieved party in the contrived 'hijab row', and there exists no acceptable outcome except for the continued unmolested right of Muslims to practice their religion freely, including wearing hijab anywhere they choose to wear it, as they had been doing for centuries prior. This is well understood by international observers: in all mention of this ugly affair by international rights organisations, like Amnesty and Human Rights Watch, the PFI is not mentioned, because they are not relevant: the only relevant party is those who chose to begin a new front in their oppressive anti-Muslim programme<sup>25</sup>. We reject the self-styled SIB's attempts to blame Muslims, in the PFI or otherwise, for the tensions in India. The policies enacted by the BJP/RSS, like the hijab ban in Karnataka state, were taken with no motivation besides instituting Hindutva-Brahman supremacy. The BJP/RSS are the problem, their Nazi fascist inspired ideology is the problem, the so-called SIB, being their agents, are a part of the problem, and will remain so until they repent, or disband, or are eliminated. However, in standing by the BJP/RSS in this, they make clear their support for the BJP/RSS anti-Muslim agenda. The so-called SIB are therefore collaborators to fascists, and are

munafiq kaffirs in the Islamic legal definition: see Quran 5:55-56, 3:28, 3:118, 4:88-91<sup>26</sup>. The self-styled SIB's claims to do such treachery and nifaq for 'communal harmony' are the well worn-out excuse of the munafiq kaffir, Quran 2:11-12:

"When they are told, "Do not spread corruption in the land," they reply, "We are only peace-makers!" Indeed, it is they who are the corruptors, but they fail to perceive it."

The so-called SIB's true agenda is clear, and all of their breathless nonsensical howling about a 'jihadi nexus', and screaming 'salafi wahabi', or slandering resisting Muslims as 'terrorists' will not work with the Party of Islamic Renewal<sup>27</sup>. None of this covers up for, or diverts from, their support for Hindutva-Brahman supremacists who are in clear confrontation with Muslims and other minorities in India, recognised as such by international organisations. However, I will debunk some of their claims below as this group of munafiq kaffirs rightly deserves to be humiliated and exposed. And now I say to the so-called SIB directly:

- Your pathetically meagre following on Twitter demonstrates you have no grassroots Muslim support (both your organisation @sufiboard and your munafiq kaffir Secretary General Syed Hasnain Baqai @hasnainbaqai have less than 1000 followers each, my handle @ummahwolf2 [Wolf of the Ummah] has more of a following and I am a simple staffer in the Party of Islamic Renewal (meanwhile PFI linked accounts, and Party of Islamic Renewal Secretary General Al-Massari's [@almass3ari] following absolutely dwarfs yours). Yet your obscure group were able to get your moaning alarmist piece, crying over our letter to the PFI, titled "Letter to the Popular Front of India: disregard bans and reorganise into a revolutionary army", on Indian regimes aligned outlet *OpIndia*, titled 'Our Nation threatened with Jihadi Civil war', Sufi Islamic Board reacts after getting threat letter from PFI stating that it 'should be treated as Kafir', within hours of you becoming alert to its existence<sup>28</sup>, suggesting you have deep personal connections to high ranking members of the Hindutva-Brahman supremacist movement. This leads us to conclude that you are a group that does not exist independent of the BJP/RSS, and are not an organic part of the Muslim community in India, but a façade of the BJP/RSS to demobilize and rule over the besieged Muslims in India. Further indications of this come from comments made by RSS members stating "Not all Muslims are aligned with PFI .... We have to reach out to them", statements run in a piece titled 'They are here for long haul: RSS feels need to counter PFI influence'<sup>29</sup>. In reality you are no different than the Nazi collaborator Kapos who assisted in the Holocaust or the munafiq Harki collaborators during French colonialism in Algeria.
- You are in no way representative of Sufis; while that tradition is noted throughout history for standing with the poor and oppressed, you, by standing with an international condemned fascist Nazi inspired regime against besieged minorities, oppose freedom and justice. However, that above point on Sufi philosophy is secondary, because you are not Muslim: siding with enemies of Islam and Muslims is a nullifier of faith and renders you munafiq kaffirs. The relevant verses were listed above (see footnote 26).
- You are not scholarly, or knowledgeable of Islamic thought and intellectual developments: you attempted to call Secretary General Muhammad Al-Massari, and the Party of Islamic Renewal, Wahabi/Salafi. However, without doubt his magnum opus 'Kitab ut-Tawheed: The Basis of Islam and the Reality of Monotheism' is likely the best scholarly work that exists refuting the deviant ideology of Wahabism/Salafism/Ahl Al-Hadeeth<sup>30</sup>: however you have produced no comparable scholarship on the subject. Furthermore, our adversarial relationship to khawarij groups like ISIS/Daesh/TTP etc is well documented. We are as stern against them as we are against treasonous munafiq kaffirs like your so-called SIB. Furthermore, you have howled that the Party of Islamic Renewal supports Muawiya and Yazid<sup>31</sup>, exposing your ignorance still further, given that numerous works have been produced by Sheikh Muhammad Al-Massari attacking those figures<sup>32</sup>, however it is not for the so-called SIB to criticise the Umayyad dynasty when they themselves are on their political methodology of nifaq, injustice, oppression etc.
- Which takes us to the next point: your masters and yourselves, in your deceitful piece run on *OpIndia*, claimed that our advice to the PFI to carry out "in house cleaning" was a 'euphemism for killing opponents'. However, the letter we wrote is attached in that piece, and testifies to the falsehood of your claim (and how willing you are to insult the intelligence of Muslims and other readers). The original letter states that inhouse cleaning refers to "reaching out to the oppressed Dalit caste and Adivasi is an excellent direction (and harmonises with the justice seeking ideology of Islam as expressed in Quran 4:75 ... any trace of the culture of casteism and racism must be rooted out in your midst. Support, even if only verbal, for the Sikhs of Khalistan and oppressed Muslims in Assam is positive. It is also time to warn against the presence of khawarij groups affiliated with Wahabi/Salafi/Madkhali/ahl-al-hadeeth ideologies like ISIS". The reason you and your BJP/RSS masters wished to omit this is firstly to falsely cast this as a conflict between Islam and non-Islam, and secondly to allow the ISIS group to spread within the aggrieved community of Muslims in India, and thereby undermine their legitimate struggle, by allowing khawarij Wahabi ISIS/Daesh to infiltrate the legitimate Muslim resistance, and derail their struggle with their obsessive sectarian belligerent agenda. Furthermore, it is well documented that ISIS/Daesh, and affiliates, is heavily infiltrated by

French and British intelligence along with the 'Israeli' Mossad (allies of India), so as to direct this group to distract legitimate mujahideen with sectarian fratricide<sup>33</sup>.

- You have shown a love for, and motivation for, monetary gain (quite in contrast to true Sufi philosophy) asking Muslims in India to not give Zakat to the PFI, or indeed other poor truly deserving Muslims, but instead your obscure, treacherous, munafiq self-styled SIB<sup>34</sup>. May whatever you consume of monetary benefit in your bloated bellies, through swindling the Muslims, or from your allowance from your BJP/RSS masters, become fire in your bellies in the hereafter. Quran 9:34:

“O believers! Indeed, many rabbis and monks consume people’s wealth wrongfully and hinder others from the Way of Allah. Give good news of a painful torment to those who hoard gold and silver and do not spend it in Allah’s cause.”

- You munafiqs stand shoulder to shoulder with rapacious sexual deviant Hindutva-Brahman supremacists. There are well documented, and recent, examples of Hindu monks calling for abduction and mass rapes of Muslim women outside of mosques as Hindutva-Brahman supremacist mobs cheered (Mahant Bajrang)<sup>35</sup>. This same gang you support has carried out the mock auctioning of Muslim women online as sexual slaves to Hindutva-Brahman supremacist criminals (the regime signalling its approval for these actions through the granting of bail to the degenerate perpetrators)<sup>36</sup>. In Kashmir it is well documented that Indian security forces, the state arm of Hindutva-Brahman supremacist fascism, carry out mass rapes during their continued military occupation of Muslim land (Kunan Poshpora) <sup>37</sup>. The most disgusting incident was the rape and murder of Asifa Bano, an 8-year old child, over several days in a Hindu temple in Kashmir<sup>38</sup>. We Muslims view the forced undressing of Muslim women in the contrived ‘hijab ban row’ in Karnataka as a programme of sexual assault against Muslim women. It is most disturbing when it is reported women are most affected by the loss of citizenship by the CAA/NRC in Assam: it seems the concentration camps being built in Assam will mostly be inhabited by Muslim women<sup>39</sup>, guarded by hate filled Hindutva-Brahman supremacist regime forces with a record of rape culture. In effect the SIB wants the Muslims of India to become slaves and their women concubines like the imperial Japanese comfort women in Korea and China during WW2, or like the Uighur Muslims in Xinjiang. All that the collaborationist SIB wants in exchange is to be interlocutors, hoarding gold and silver, selling the honour of Muslim women to the BJP/RSS Hindutva-Brahman supremacists: fake holy men, munafiq kaffirs, who actually aspire to be pimps.

I say to Muslims, and the world, that the above crimes listed up to this point, which are not insignificant, have broken the covenant of protection/security between Muslims in India and the state (Quran verse 9:6-16<sup>40</sup>). We have seen from the Seerah what the breaking of the covenant of protection/security means in practice, if we look at the case of the Sahabah Abu Basir: after the Quraysh tribe had persecuted/oppressed Muslims in Mecca, and after the hijra when the Quran had revealed armed struggle was allowed (Quran 47:20<sup>41</sup>), and after Abu Basir was denied immigration to Medina due to the treaty of Hudaibiyah, he began an insurgency against the Quraysh. The so-called SIB blubbered we, for advocating Muslims defend themselves, were going against the ‘Prophet Mohammed’s true Islam’ ( see footnote 27) (peace be upon him, and the curse of Allah be upon the treacherous SIB munafiqs for daring to mention his name). In reality the Prophet Muhammad praised Abu Basir and his rebels in their resistance to the Quraysh, he did not slander them as ‘terrorists’ or accuse them of causing ‘communal disharmony’. In fact his exact words were “wo to his mother, a war-maker, if he has men supporting him” which was clear approval for his actions, resulting in many more persecuted Muslims from Mecca leaving the city to join Abu Basir’s rebellion. I know the SIB would have called our beloved Prophet a ‘jihadi’ and accused him of ‘incitement’ for this. The Prophet was unable to join in the fighting due to the pact, but shortly after the treaty was breached he conquered the oppressors in Mecca. The so-called SIB do not follow ‘true Islam’: they are Dayouths, munafiqs and sycophants to Pharaoh.

So I repeat again, Muslims in India have the Islamically legitimate right to carry out insurgency, sabotage& espionage against officials of the Indian regime involved in oppression as well as soldiers and police officers enforcing oppression. Given the above, the Popular Front of India should ignore any bans on their organisation, at the state or central level, if it should come to pass. Furthermore, any individuals and Muslim organisations in India, banned or otherwise, are at liberty to war with the state until all measures of persecution are rescinded, or independence is achieved. Muslims around the world, due to the attacks on Islamic Dawah in India, forced conversion of Muslims to other religions, appeals for help by Muslims in India due to the persecution they face, and attacks by the Indian regime on the sovereignty of Allah as the only deity and lawmaker in the religion of Islam (challenged explicitly by the Karnataka court ruling on hijabs place in Islam) gives all Muslims on Earth, outside of India, the Islamically legitimate right to declare war on the Indian regime as a legitimate defensive jihad (discussed extensively in our communique ‘Jihad against the Indian regime is the right of all Muslims on Earth: attacks on Islam and Muslim minorities will never go unanswered’). If Muslims outside of India cannot directly

participate in conflict against the BJP/RSS Hindutva-Brahman supremacist fascist regime they should seize its assets, confiscate its shipping, deny it access to airspace and waterways, expel its workers (except minorities who need protection), fund, arm and train mujahideen and state military forces engaged in war with India, and use cyberwarfare and sanctions against it. Additionally, all Muslims, everywhere, should endeavour to boycott Indian products and services. I say to Muslims in India (and anywhere) that you have the full right to defend yourselves, as every human has the right to, and as your religion encourages you to, Quran 2:190:

“Fight in Allah's path against those who fight you, but do not be aggressors, for God does not love aggressors.”

We in the Party of Islamic Renewal reject the politically motivated hypocritical vacuous term ‘terrorism’, ‘extremism’ and ‘radicalism’, and encourage all Muslims and oppressed peoples to do likewise, as it is nothing but a slanderous term which attempts to delegitimise freedom fighters. We are told Molotov cocktail throwers and suicide bombers in Ukraine are good<sup>42</sup>, and that mujahideen armed by the USA against the Soviet invasion of Afghanistan in the 1980s are also good, but those who fight Western imperialism (or the injustices of their stooges in India, Israel or Africa) are called terrorists ie Palestinians. In past centuries the term used against resistance fighters was ‘pirate’ and so the Algerian Barbary forces were slandered as such, while the British reserved the noble term ‘privateer’ for themselves.

We do not forget that the best of freedom fighters were all once slandered as terrorists by tyrants and oppressors: the Viet Cong, Algerian FLN, Nelson Mandela and his ANC, the Irish Republican Army, the Tamil Tigers and so on. If anyone fits the term ‘terrorist’ it is the tyrants in the UN Security Council, and India, Myanmar the Zionist entity ‘Israel’, among other despotic state forces, who bathe in blood and kill more than anyone else, doing so in aggression. And it is aggression and oppression which Allah states in the Quran (2:217) to be the greatest fault, not Muslims defending themselves, and certainly not conjured political hypocritical nonsense terms like ‘terror’:

“They will ask thee about fighting in the sacred month. Say: "Fighting in it is an awesome thing (grave transgression); but turning men away from the path of God and denying Him, and [turning them away from] the Inviolable House of Worship and expelling its people there from - [all this] is yet more awesome (greater transgression) in the sight of God, since oppression is more awesome (greater transgression) than killing." [Your enemies] will not cease to fight against you till they have turned you away from your faith, if they can. But if any of you should turn away from his faith and die as a denier of the truth - these it is whose works will go for nought in this world and in the life to come; and these it is who are destined for the fire, therein to abide”

I sympathise that the Muslims in India, the PFI and otherwise, and other minorities including the Sikhs, Dalits, Adivasi, Christians etc did not choose this path, instead Hindutva-Brahman fascism is being imposed upon them. I say to them now: you may feel pressure to allow yourselves to be dishonoured and oppressed. However to do so will only lead to destruction, as described in previous writings, giving the example of the Central African Republic, the Western (French) focus of disarmament was of course the Muslims, organised under the Séléka, meanwhile there was no significant disarmament of their enemies, the anti-Balaka forces; rather than Muslims experiencing peace thereafter, under the watch of the anti-Muslim French there was mass religious/ethnic cleansing of Muslims. Instead, I call upon you Muslims in India, the PFI specifically, to organise yourselves into resistance bands, partisans, and revolutionary armies (that is why we welcome the call by the Campus Front of India for Muslims to prepare for defence<sup>43</sup>): and follow these verses of the, Quran (8:60):

“Muster against them all the military strength and cavalry that you can afford so that you may strike terror into the hearts of your enemy and the enemy of Allah, and others besides them who are unknown to you but known to Allah. Remember that whatever you will spend in the cause of Allah, shall be paid back to you in full and you shall not be treated unjustly”.

Our advice to the Muslims and minorities in India is that while you did not start this war you can, and should finish it. Remember that Pharaoh did not relent in his oppression until he was smashed under the waves, totally defeated. Muslims in India should work in cooperation with those other affected communities like the Sikh community (like Sikhs For Justice, whose chief Gurpatwant Singh Pannun has called on Muslims in India to establish an independent state)<sup>44</sup>. Muslims in India should also continue to bring other affected minorities like Dalit, Adivasi, moderate Hindus etc under your wing as confederates in this glorious resistance movement to overturn Hindutva-Brahman supremacist fascism.

I call on the so-called Sufi Islamic Board, including Secretary General Syed Hasnain Baqai and Shoukath Ali, who I have had the displeasure of interaction with, to repent for their betrayal of the oppressed people of India, stop their treachery and nifaq against the Muslims, retake their shahada and return to the fold of Islam. If the odious SIB does not wish to repent or disband, I call on those within this organisation to see reason, and defect (before doing so I encourage defectors to leak the documentation of the self-styled SIB into the public domain, to fully expose them as the BJP/RSS front group that they

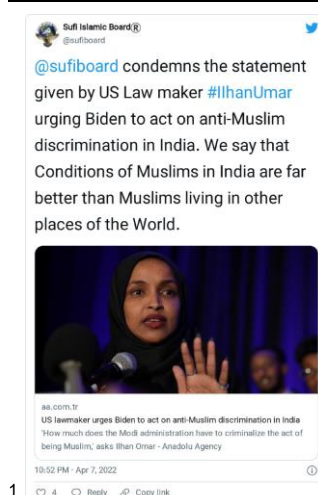

are). However, should the self-styled SIB remain on this path of treachery, nifaq and injustice it is clear from the above evidence that this group (and any other Muslims like it working to further the interests of India's BJP/RSS regime) are confederates of hostile anti-Muslim harbi warrior kuffar, well documented to be executing a campaign of violent militant subjugation of Muslims and other minorities. The SIB, as a group which is inciting against Muslims, as in their campaign against the PFI, Hijabi Muslim women, or SIB member Shoukath Ali perpetuating the 'coronavirus jihad' libel, are themselves warriors (as propaganda and incitement are war acts, as demonstrated by the legal precedent set when the Prophet Muhammad ordered the operation against Ka'b ibn al-Ashraf). I say to the self-styled SIB: you made the conscious choice to betray persecuted minorities, including Muslims, in India, for a worldly gain. You chose to be propagandists, inciting against Muslims, you chose to be within the camp of the sworn enemies of Muslims, who are currently at war with Muslims, and to isolate yourself from Muslims and the sovereign of the Ummah, Allah. By allegiance you are Hindutva, as circumcision alone is not enough for you to claim to be from us. That was your choice, just as it was your BJP/RSS masters choice to initiate their aggression, thereby legitimising Muslim war acts in self-defence. Members of the so-called SIB jumping up and down, throwing a temper tantrum, screeching about being targeted, about incitement, about non-existent 'Islamic terrorism', will not at all find this help them extricate themselves from their status as harbi munafiq kaffirs, or nullifies the Islamic laws relating to that designation. We know Islamic law means nothing to the so-called SIB, not Quranic verses regarding allegiance, or regarding hijab, or the honour and chastity of Muslim women, because the SIB's lord is not Allah, it is the BJP/RSS Hindutva-Brahman supremacist fascists. Regardless, we Muslims will assert our right to be free of injustice and to practice our religion, as we see fit, whatever the enemies of Islam and their munafiq collaborators think, say or attempt to do; As the Quran (25:52) instructs:

“So do not obey the disbelievers, and strive against them with the Qur'an a great striving.”

Late veteran journalist, Robert Fisk, in 2019, exposed the growing Zionist Apartheid 'Israeli' influence in India, and its guidance of the BJP/RSS regime to begin a campaign of persecution against the Indian Muslim population, in an article titled 'Israel is playing a big role in India's escalating conflict with Pakistan'. He concluded that piece with salient advice for the SIB's BJP/RSS masters: "Israel, India and Pakistan all possess nuclear weapons. Another good reason not to let Palestine and Kashmir get tangled up together. And to leave India's 180 million Muslims alone." I say to the SIB and their masters in the BJP/RSS: if you do not stop provoking conflict with the Muslims of India, and now the Islamic world, you will learn the truth of Robert Fisk's warning, as your dream of Akhand Bharat turns into a nightmare, and India descends into the flames of communal carnage: 'it would be better for you to leave India's 180 million Muslims alone'<sup>45</sup>.

26 [Quran, 5:55-56] "Your true allies are Allah, His Messenger, and the believers— those who keep up the prayer, pay the prescribed alms, and bow down in worship. Those who turn for protection to Allah, His Messenger, and the believers [are the party of Allah]: The party of Allah is sure to triumph."

[Quran, 3:28] "The believers should not make the disbelievers their allies rather than other believers— anyone who does such a thing will isolate himself completely from Allah – except when you need to protect yourselves from them. Allah warns you to beware of Him: the Final Return is to Allah."

[Quran, 3: 118] "O you who believe, do not take for your intimates such outsiders as spare no effort to ruin you and want to see you suffer: their hatred is evident from their mouths, but what their hearts conceal is far worse. We have made Our revelations clear for you; will you not use your reason?"

<https://www.renaissancefoundation.com/allegiance/>  
 [Quran, 4:88-91] "What is the matter with you, then, that you have become two parties about the hypocrites [munafiqs], while Allah has made them return (to unbelief) for what they have earned? Do you wish to guide him whom Allah has caused to err? And whomsoever Allah causes to err, you shall by no means find a way for him. They desire that you should disbelieve as they have disbelieved, so that you might be (all) alike; therefore take not from among them friends until they fly (their homes) in Allah's way; but if they turn back, then seize them and kill them wherever you find them, and take not from among them a friend or a helper. Except those who reach a people between whom and you there is an alliance, or who come to you, their hearts shrinking from fighting you or fighting their own people; and if Allah had pleased, He would have given them power over you, so that they should have certainly fought you; therefore if they withdraw from you and do not fight you and offer you peace, then Allah has not given you a way against them. You will find others who desire that they should be safe from you and secure from their own people; as often as they are sent back to the mischief they get thrown into it headlong; therefore if they do not withdraw from you, and (do not) offer you peace and restrain their hands, then seize them and kill them wherever you find them; and against these We have given you a clear authority."

<sup>40</sup> [Quran 9:6-16] "And if any one of the polytheists seeks your protection, then grant him protection so that he may hear the words of Alla h . Then deliver him to his place of safety. That is because they are a people who do not know. How can there be for the polytheists a treaty in the sight of Allah and with His Messenger, except for those with whom you made a treaty at al-Masjid al-Iaram? So as long as they are upright toward you, be upright toward them. Indeed, Allah loves the righteous [who fear Him]. How [can there be a treaty] while, if they gain dominance over you, they do not observe concerning you any pact of kinship or covenant of protection? They satisfy you with their mouths, but their hearts refuse [compliance], and most of them are defiantly disobedient. They have exchanged the signs of Allah for a small price and averted [people] from His way. Indeed, it was evil that they were doing. They do not observe toward a believer any pact of kinship or covenant of protection. And it is they who are the transgressors. But if they repent, establish prayer, and give zakah, then they are your brothers in religion; and We detail the verses for a people who know. And if they break their oaths after their treaty and defame your religion, then fight the leaders of disbelief, for indeed, there are no oaths [sacred] to them; [fight them that] they might cease. Would you not fight a people who broke their oaths and determined to expel the Messenger, and they had begun [the attack upon] you the first time? Do you fear them? But Allah has more right that you should fear Him, if you are [truly] believers Fight them; Allah will punish them by your hands and will disgrace them and give you victory over them and satisfy the breasts of a believing people And remove the fury in the believers' hearts. And Allah turns in forgiveness to whom He wills; and Allah is Knowing and Wise Do you think that you will be left [as you are] while Allah has not yet made evident those among you who strive [for His cause] and do not take other than Allah , His Messenger and the believers as intimates? And Allah is Acquainted with what you do"

<sup>41</sup> [Quran 47:20] "And the believers say, "If only a sūrah was revealed 'allowing self-defence'!" Yet when a precise sūrah is revealed, in which fighting is 'explicitly' mentioned, you see those with sickness in their hearts staring at you like someone in the throes of death. It would have been better for them"
